**Subject:** RE: Blades Question

Thanks, Lorie. We'll take a look at your concerns and get back to you as soon as we can. Please note that [Nonresponsive based on revised scope] our senior tech, is out through tomorrow, so it would be later in the week before we could confer and reply by email. If you think you would like to have a call in addition to (or instead of) an email reply, please let me know. We can make that happen too.
